Dear Sir or Madam:

Thank you for submitting a request seeking vessel eligibility for the U.S. Coast Guard's Quality Shipping for the 21st Century (QUALSHIP 21) program. We have completed our review and would like to congratulate *Cido Shipping (Korea) Co Ltd* on the approval of the FORTUNE RAINBOW (9317511), for enrollment into our QUALSHIP21 program. Further information on our QUALSHIP 21 Program can be found on our website at: <https://www.dco.uscg.mil/qs21>.

In recognition of your outstanding commitment, the U.S. Coast Guard is pleased to provide a QUALSHIP 21 certificate for the FORTUNE RAINBOW (9317511).

To highlight, less than 20% of all foreign-flagged vessels that operate in the United States meet the strict eligibility requirements of this program; therefore, I applaud the efforts of your organization and the master and crew for consistently maintaining an exceptional commitment to quality.

Should you have any further question, please do not hesitate to contact our QUALSHIP 21 Administrator at (202) 372-1587 or PortStateControl@uscg.mil.

Sincerely,
